

# Google Sketch Up Training Model Your Town Contest

## Model Your Town Contest

Are you interested in participating in Google's "Model Your Town Contest" and don't know where to start? This training will provide you with the basics of Google SketchUp for you to support your students in this engaging activity. We will continue to provide support for this contest beyond the training through a group blog, scheduled webinars, and school visits from your GWAEA technology consultants!

## Additional Information:

Andy Crozier  
Coordinator of Digital Learning Technology
