Cedar Rapids, Iowa

Audience: All Educators

The Visible Learning^{plus} Institute is a dynamic one-day professional learning event, featuring Professor John Hattie and Dr. Peter DeWitt. This session is designed to provide participants with the tools to identify key takeaways from the Visible Learning research, learn about the five strands of Visible Learning, and identify and explore the nuances in the influences that impact student achievement. Professor Hattie will be sharing his latest 2019 research on the 10 Mindframes of Visible Learning, and his work on effective Feedback practices, which yield a .74 effect size.

**In Visible Learning^{plus},
teachers gain clarity about
the effect they can make on
student learning, and every
child gains knowledge
about what they need to
be learning.**

FEATURING

Professor John Hattie
