GRANT WOOD AEA EDUCATION DIRECTORY

The Grant Wood Area Education Directory is published annually by Grant Wood Area Education Agency, 4401 Sixth Street SW, Cedar Rapids, IA 52404-4499. The directory is a constantly changing document.

Please Contact the communications office 319-399-6714 or email us if you have changes or corrections.

Grant Wood Area Education Agency serves 32 public school districts and 22 approved nonpublic schools in Benton, Cedar, Iowa, Johnson, Jones, Linn and Washington counties. The service area also has 12 non approved private schools in the area. The Grant Wood AEA vans deliver materials and correspondence to area school buildings each week, to the Grant Wood AEA Coralville facility, to its 33rd Avenue facility and to the Kirkwood Community College centers.

Visit us on the Internet at www.gwaea.org.

VAN DELIVERY SYSTEM

The Grant Wood Area Education Agency provides twice-a-week delivery to each accredited public and nonpublic building in our seven county service area. Deliveries are made on either Monday and Thursday or Tuesday and Friday. We deliver daily to the Cedar Rapids Community School District warehouse.

Agency materials and mail are delivered by vans and each building has a designated area for AEA materials. School personnel may use the AEA van delivery to return materials, and correspond with AEA staff.

When sending important documents such as student records, we encourage school staff to use the U.S. mail to ensure timely delivery.

When sending materials to individuals in our area, the sender should include the person's name, building, district and the route number to ensure the mail gets to the proper location. Mail that is not labeled correctly is sent to the District Administration building.

Example:

Person's name
Building name
District name
Van route #

Mail should be marked with a return address. Van route numbers for the districts are located directly below the district name in this directory.
