Parking Lot Guidelines

- Be patient
- Enter and exit the parking lot at either driveway
- Park and get out of your car. NOTE: There is no "pick up line" so please do not start one. The lot is not large enough and this has led to congestion and fender benders in the past.
- Wait for your child anywhere on the highlighted section of the map
- Once you have found your child, safely locate your car and exit the parking lot using either driveway.
- **If you have any difficulties connecting with your child, locate a College for Kids staff person in the area or call the office at 319-399-8055.**
