

Who We Are

The FEP, started in 1984, provides a unique opportunity for parents and educators to build partnerships to improve educational programs for children and young adults with special needs.

Modeling an effective collaborative partnership, the FEP is staffed by Family Educator Partners who specialize in bringing both parent and educator perspectives together. Each of Iowa's Area Education Agencies (AEAs) employ these staff to guide the program within the AEA. They collaborate directly with parents, local education agencies, and agencies outside the educational system.
