Deliver on promises.

OUR GOALS

1

Increase the academic performance of all students through innovative practices and equitable use of resources.

PRIORITY AREAS

All third graders will be proficient in reading.

All fifth graders will be proficient in math.

The learning gaps in reading and math between students with IEPs and those without IEPs will be reduced.

2

Increase the social, emotional, mental health and behavioral wellbeing of all stakeholders through an integrated system of support.

PRIORITY AREAS

Increase students' sense of physical and emotional safety in school.

Increase students' access to mental health supports in school.

Increase the number of adults who are equipped to support the wellbeing of students in school.

3

Increase educator capacity to improve student engagement, equity and accessibility to learning.

PRIORITY AREAS

Increase the level of student engagement in Grant Wood AEA partnering districts.

Increase the implementation of authentic learning in Grant Wood AEA partnering districts.

All students in Grant Wood AEA have access to grade-level content.
